Dear Ms. [REDACTED]:

Thank you for your correspondence dated September 17, 2007, to the Citizenship and Immigration Services (USCIS). The following response is provided for your information/action.

We have researched your client, Said Aljuneidi's case to determine the status of his Form I-485, Application to Register Permanent Residence or Adjust Status. Our records reflect that the processing of his case has been delayed because the required investigation into his background is still in process. Until the background investigation is completed, we cannot move forward on his case.

Please understand that these background checks are required to be completed on all applicants who apply for the immigration benefit you are seeking. Attached you will find two enclosures with detailed information regarding why the process exists, how it works, as well as the circumstances when the process can be expedited.

While an exact date for completion of his background check cannot be given at this time, we will make every effort to make a decision on this case as soon as the background checks are complete.
